

# We are moving!

Dear Parents/ Students,

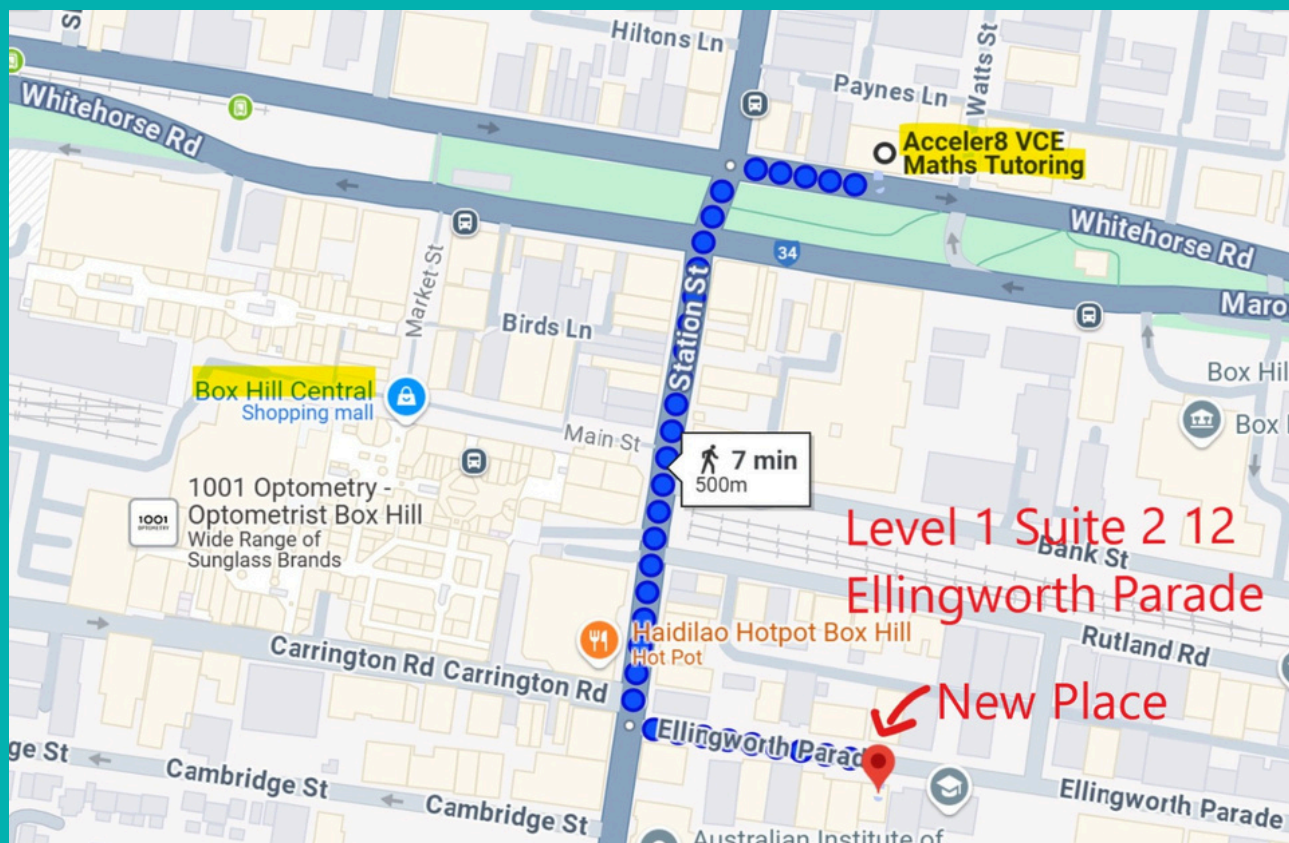

We are excited to inform you that we will be moving to our permanent office space around Term 2 next year. The new building is currently under construction and is expected to be completed and ready for us by April. This space has been thoughtfully designed with occupant health and well-being in mind, ensuring a comfortable and high-quality environment. It is located in between the tranquil Box Hill Gardens to the north and the bustling Box Hill Central shopping and dining precinct to the south.

Our new classrooms will feature double-glazed, openable windows and sliding doors leading to private balconies, allowing fresh air to flow into the rooms and supporting an improved learning atmosphere. Additionally, students will have access to a communal area on the first level that includes amenities such as table tennis, a giant chessboard, and seating areas.

While we wait for our permanent space, we will be temporarily relocating to Level 1 Suite 2 12 Ellingworth Parade, Box Hill until construction is completed.

**Our address from 1/1/2025 - until the new building is completed**

Level 1 Suite 2 12 Ellingworth Parade, Box Hill.

We look forward to welcoming you to this vibrant new space next year!

**Warm regards,**

Ms Su
